

WHAT IF YOU'D BE A RISK CONSULTANT?

-Is it a challenging or a frightening idea for you?

What if you'd be a risk consultant? Is it a challenging or a frightening idea for you? If you chose the earlier, you already have the potential to join Marsh's expert team and grow our business in Slovakia.

Marsh is a global leader in insurance broking and risk management. In more than 130 countries, our experts in every facet of risk and across industries help clients to anticipate, quantify, protect against— and recover from — the "what ifs" in life. In today's increasingly uncertain global business environment, Marsh helps clients to survive and thrive.

AS A JUNIOR RISK CONSULTANT

After an extensive on-the-job training provided by a senior risk consulting colleague you will:

- ▶ Meet with existing and prospective clients to assess their risk management needs and presents recommendations and/or findings
- ▶ Perform risk survey visits of clients' assets and operations
- ▶ Collect risk information needed by business development staff and client executives/representatives for broking purposes
- ▶ Prepare drafts, issues and presents risk surveys to client executives/representatives and/or insurers
- ▶ Provide account management to large and complex accounts; may prepare specific technical papers, seminars and in-house training programs

AS A SUCCESSFUL CANDIDATE

Prove us that you possess the followings:

- ▶ Well-developed oral and written communications skills
- ▶ A professional certification such as professional engineer, certified safety professional or equivalent University degree in engineering, science or safety preferred
- ▶ Advance English and native Slovakian knowledge
- ▶ "Can do" and pro-active attitude
- ▶ Eagerness to learn
- ▶ Excellent client facing and interpersonal skills
- ▶ Previous experience in the field of insurance and risk management would be an asset

APPLICATION

If you see the challenge, we look to receive your English CV and motivation letter to mariann.mate@marsh.com until the end of October 2017.
